--- Personal Profile ---

Web/Application Developer with 3yr experience across SAP, full-stack web. Shipped RTL enablement and 240+ Carbon Design System v2 migrations for ibm.com, automated support workflows, and delivered production-grade university portals. Passionate about automation that increases engineering efficiency.

--- Core skills ---

Languages/Frameworks: JavaScript, Adv Java, PHP, Node.js, Flutter, Python, HTML, CSS, JSON, XML, jQuery
AEM/Platform: AEM Sites (Cloud), Sling Models, OSGi, Dispatcher/CDN basics
Web/Back-end: Node.js/Express, Java (Servlets), REST APIs
Data: Firebase, MySQL, MongoDB
Tools/Libraries/Devices: React, GitHub, Google Tink, GCP KMS, Arduino, Raspberry Pi, Bootstrap

--- Experience ---

IBM India Private Limited, Pune - Application Developer
Duration: September 2022 to July 2025

❖ **AEM Sites Application Developer – IBM.com Additional Development Team**: AEM Cloud, Java, Node.JS, HTML, CSS, JavaScript, GitHub, Python
  - Raised ~50% of PRs for RTL enablement in a 3-person team.
  - Slashed time required for project planning by ~1 week using Python scripting
  - Proposed alternative component implementations to de-risk timelines.
  - Customized 3 ACS AEM DAM Reports with dynamic variable functionality.
❖ **SAP BI AMS BW Consultant – Volkswagen Financial Services BW CS 2nd Level Support**
  - Cut average first-response time ~80% by scripting in Python
  - Identified a recurring pre-issue pattern and escalated upstream, creating an 8-hour mitigation window and prevented P1 issue.
  - Reduced average ticket closure time by >24 hours.

Center for Academic Courses, Anna University, Chennai - Web Application Developer Intern
Duration: July 2022 to August 2022

❖ Fee Payment Portal: PHP, MySQL, HTML, CSS, JavaScript
  - Digitized affiliated-college fee records
  - Enabled self-serve status checks; Export to Excel/PDF
❖ PDF Generator
  - Standardized official letters via templating; Reduced manual work and subsequent error rate by ~90%; Transferred know-how to staff

IBM India Private Limited, Pune - Associate Application Developer Intern
Duration: January 2022 to June 2022

❖ **SAP S/4 HANA 2.0 Application Developer Trainee**
- Completed professional certification; Exposure to one live project lifecycle

Rishabh Software Private Limited, Vadodara – Machine Learning Intern
Duration: January 2020 to June 2020

- Built Time/Expense Tracker System; Completed a research-style machine learning prototype.

--- Selected Projects ---

Low-Cost Automation of Existing Electric Devices (MycroLinks): Flutter, Dart, Firebase, Arduino
Mobile app + NodeMCU (ESP8266) with real-time control and state sync

Fingerprint Attendance Management System: Java Web, Python, Raspberry Pi, Arduino, MySQL, JS/CSS
Distributed biometric devices with central admin portal; CSV/Excel exports and audit logs.

Event Enrolment & Online Payments (Deepwoods MCC): PHP, MySQL, InstaMojo, jQuery, SEO, Bootstrap
Enrolment, ticketing, and payment confirmations with dashboard and exports.

Android Password Manager: Android, Google Tink, GCP KMS, Node REST API, Firebase
On-device encryption with cloud-managed keys; Secure credential sync.

--- Education ---

M.Sc Systems Engineering for the Internet of Things (in progress)   **2026**
University College London
Electives: Machine Learning for Robotics, Estimation and Control

Master of Computer Application   **2022**
Anna University, College of Engineering – Guindy | CGPA: 8.5 | 1st Class with Distinction and Honors
Major: Cyber Security and Internet of Things | Minor: Advanced Java, Machine Learning

Bachelor of Computer Application   **2020**
Maharaja Sayajirao University of Baroda | CGPA: 7.5 | First Class with Distinction and Honors
Major: Advanced Java, Machine Learning | Minor: Android Development, Networking

--- Credentials ---

- Adobe Certified Expert - Adobe Experience Manager Sites Developer
- Adobe Certified Professional - Adobe Experience Manager Assets Developer
- Adobe Certified Professional - Adobe Experience Manager Forms Backend Developer
- SAP Certified Development Specialist - ABAP for SAP HANA 2.0
  And 19 other certifications and badges verified by Credly
